

The Google logo is centered at the top of the slide. It consists of the word "Google" in its signature multi-colored font: 'G' is blue, 'o' is red, 'o' is yellow, 'g' is blue, 'l' is green, and 'e' is red. The logo is set against a white background with a black L-shaped frame on the left and right sides.

Calendar

Allows users to create personal or public calendars after signing up for a Google account. The accounts are **free**, and Google stores the calendars within its cloud computing system.

Started out as Google Docs now called Google Drive

It's free and always up to date.
Docs- Google's Microsoft Word
Sheets-- Google's Microsoft Excel
Slide-- Google's Power Point
Forms-- Google's form builder

Gmail

A free, advertising-supported mail. Users can access **Gmail** on the web and/or using third-party programs.

Photos

Is a photo sharing and storage service. It replaced another Google product called Picasa. Google Photos gives users free, unlimited **storage** for photos up to 16 megapixels and videos up to 1080p resolution.

Translate

Is a free multilingual machine translation service developed to **translate** text.
